President: jf@cacao.com.au
Secretary: afigon@bigpond.net.au

Diffusion: **All coaches in Australia, PFA**

Hi colleagues,

I hope this letter will find you all well.

-To give valuable incentives to our players, it was decided in consultation with PFA, that the winners of the National in Perth will go to the Asian Games. We probably will extend this invitation for the winners at Easter as well. The Oceania games will give us a nice alternative every two years and other options for those same winners.

-We, as Coaches, will still select all the teams going at the different world championships and Trans Tasman. Practically, only the players who travel to compete will have the chances to represent Australia in those championships.

All World Championships	Selection
Asian Games	Winners Easter/National
All Trans Tasman	Selection
Other competitions	Voluntary
Oceania	Winners Easter/ National

-I will need by the end of October, the number of teams by States, in each category, who will go to WA. If some players wants to play but are not qualified or don't have a team, put them on a waiting list. Like last year, once we have the names, we will be able to complete the draw with development squads or by others teams to have a good and balanced competition in Perth.

Best Regards.

Jean Francois Veysiere.
