SOUTH AUSTRALIAN PETANQUE LEAGUE

Round 6 held at *Eastern Suburbs Petanque Club* **26 June, 2016**

Over the last five years we have seen some very close finishes to the Interclub competition, sometimes coming down to the last game of the last round. In contrast, the finale of the 2015/16 season was something of an anticlimax. The top positions had already been decided after Round 5, with the first three clubs each holding an unassailable lead over the team below them. Further down the ladder, a change in position was mathematically possible but would have required some exceptional results which, as it transpired, were not forthcoming.

Congratulations to Club de Petanque d'Adelaide for an outstanding season. This is their fourth championship title in a row, but this time their winning margin was a whopping 84 points - the biggest we have seen since the current format was introduced in 2007!

Congratulations also to Alexi, Sukrit & Tim, who were undefeated and took the honours on the day, and to the silver medallists, Shelley, John & Wayne. This was Shelley Li's first League medal and a PB for Wayne Twigden. In third place, Ray Drummond (playing with Wendy and Deb) also picked up his first League medal.

Thanks to all who have participated throughout this season. Here's hoping that the coming season will be just as enjoyable and perhaps just a little less predictable.
