SAPL held its 15th annual State Singles Championship on Sunday the 19 February 2023. The event was hosted by the Novar Gardens Petanque Club in their extensive facilities.

There was a very pleasing and large turn out with 19 in the Ladies competition and 30 in the Open event. The most players that we have ever had in this event.

Four qualifying rounds were played before lunch and a fifth after. Once qualification places were established players were split in to 8 groups dependent on performance earlier in the day. Play continued in a series of quarter-finals semi-finals and finals. Overall 100 games of petanque were played on the day. The eight winners are pictured in this report, congratulations to all.

Thanks to Anthony for his outstanding work as TD for this complex tournament and also for agreeing to present the trophies at the end of the day in my place.

Thanks to the two non-playing umpires for the day, Brett Williams and Terry Hall, and also the large number of volunteers from Novar gardens who made it all comfortable and possible.

State Singles Runner up
